LOGISTICAL INFORMATION

Updated PADDOCK LOGISTICS

You can park in the Paddock area (near the Sotto Corte Village Shopping Center in the San Paolo zone of Camerino, along via Ottaviani, via Conti and via Madonna delle Carceri) starting from **Sunday 01 September**, strictly respecting the assigned space. The space is delineated with clearly visible signs placed on the ground.

Important: it will not be permitted to open gazebos and/or awnings or to place anything else till the day after 12:00 a.m.

Cuts to excess vehicles are not excluded in this phase, even if previously indicated on the second sheet of the Paddock format. Anyway if there is not enough space in the assigned area, vehicles will be guaranteed a space in the camper parking area near the Paddock.

Additional notes: it is recommended to bring at least 50 meters of electrical extension cord, if possible even longer cords or more electrical extension cords, and multiple electrical sockets. For those who have one, bring your own power generator. Each industrial socket of the public electrical column has a capacity of 1.5 kilowatts. It is also recommended to bring a water hose and adapters/fittings.

The opening and placement of awnings and/or gazebos within the assigned area **will be possible only starting from Monday 02 September from 12.00 a.m.** Be careful to stay within the perimeter of your stall. Otherwise awnings and/or gazebos cannot be located.

Pilots will receive all instructions by email and the same will be published on digital channels.
